To the people of Nicaragua,

Friday 15th July 2022

On this 43rd anniversary, we celebrate and pay tribute to the anti-colonial victory of the Sandinista Revolution that overthrew the brutal Somoza dictatorship in 1979. The struggle of the Sandinista movement and the people of Nicaragua to uphold their independence and their dignity in the face of relentless pressure from the Empire and its lapdogs is a true testament to the power of the human spirit through collective action.
